Current challenges –Service Delivery

I as a citizen to keep these important documents for life long in a safe and secure way and make it available for any services

I as a Govt servant to work hard for finding the file for service delivery

Current challenges – eGovernance Service Delivery

Documents in Physical Form

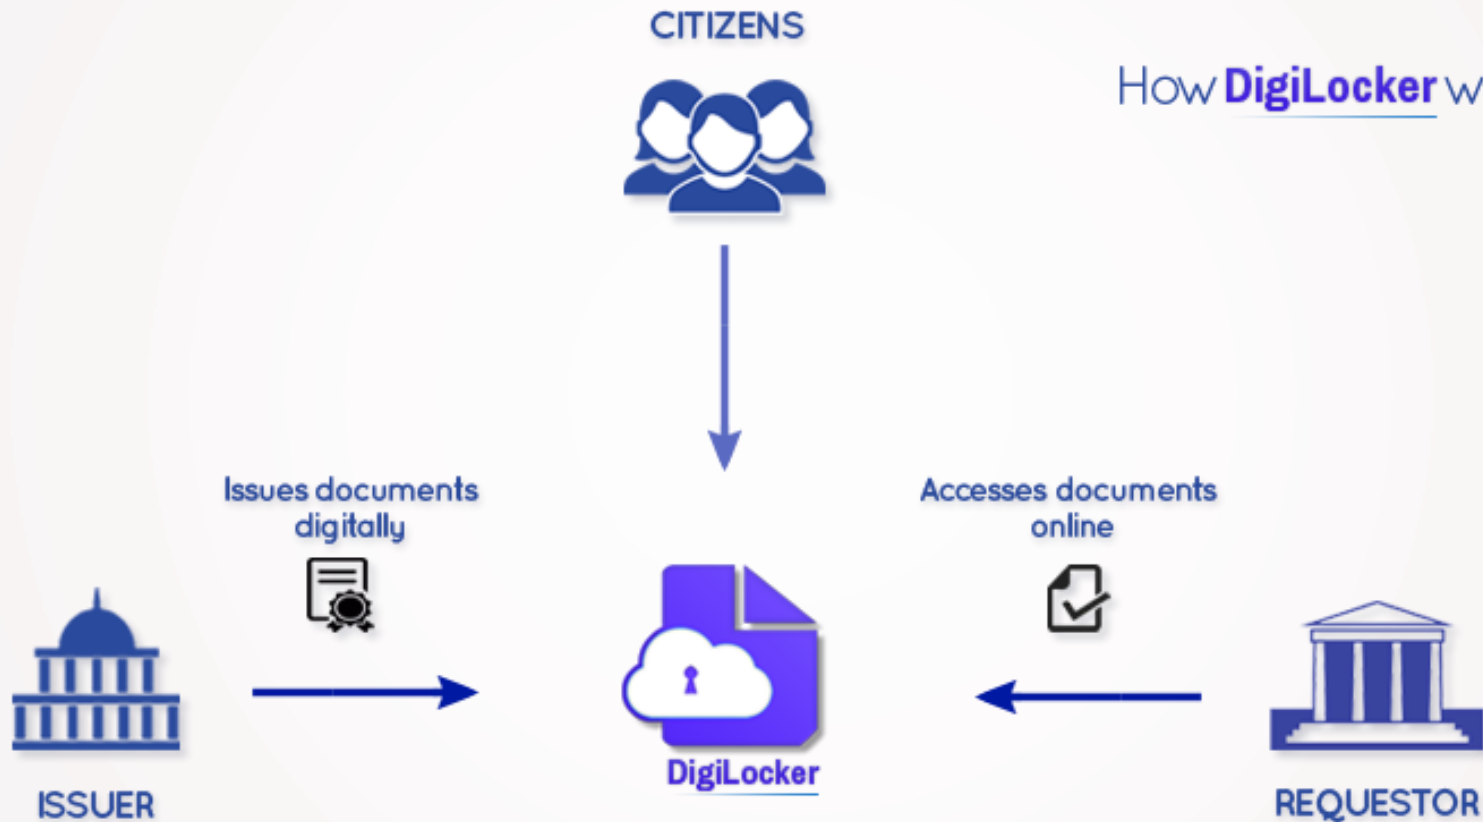

Personal Appearance for submission

Copy /Scan / Unverified and Fake documents in circulation

Personal Presence for Original document verification

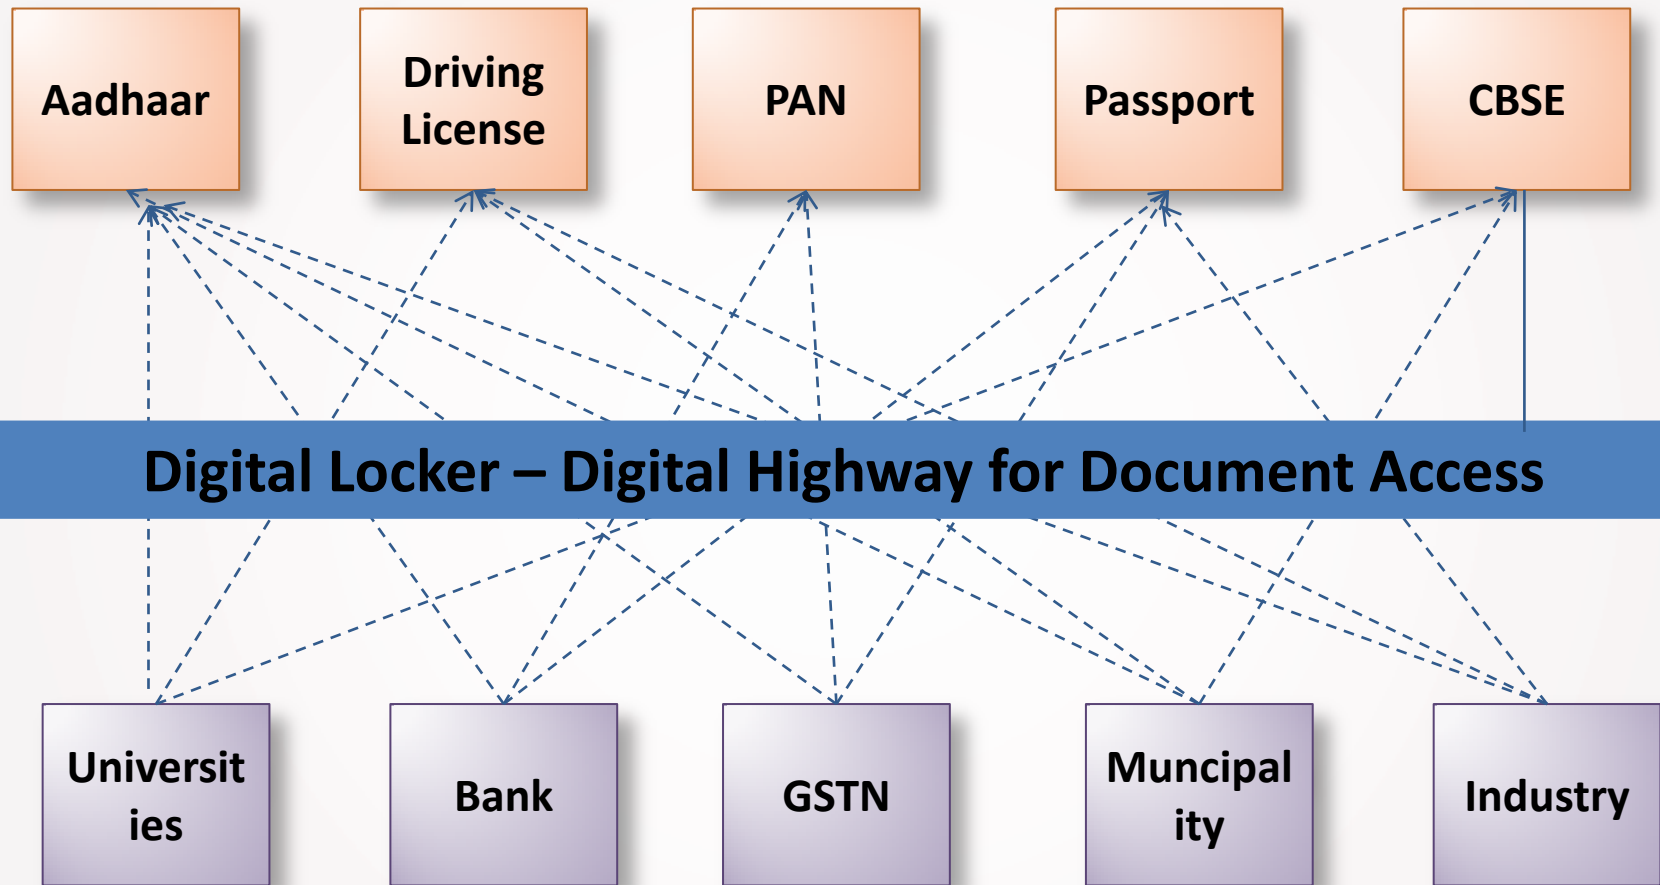

How **DigiLocker** works ?

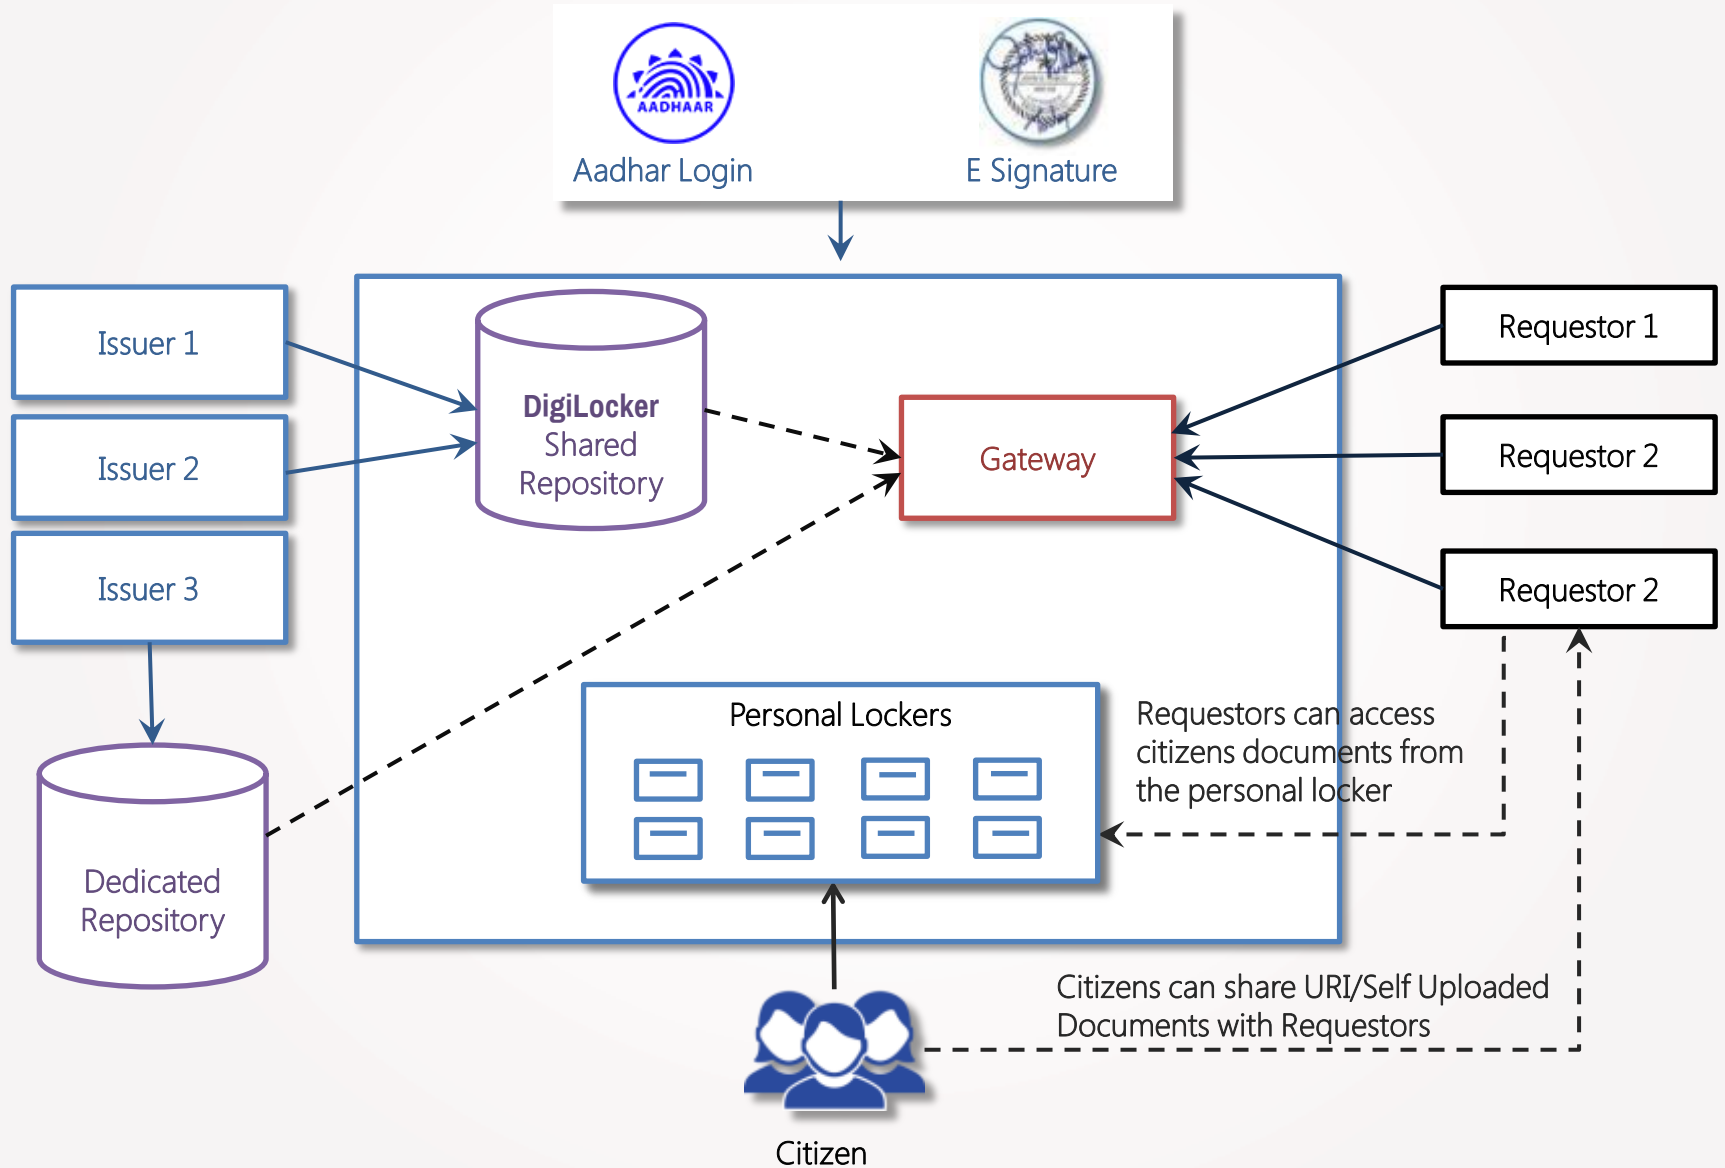

DigiLocker is aimed at
Paperless Governance
Provide Legal Validity to the documents

How It Works

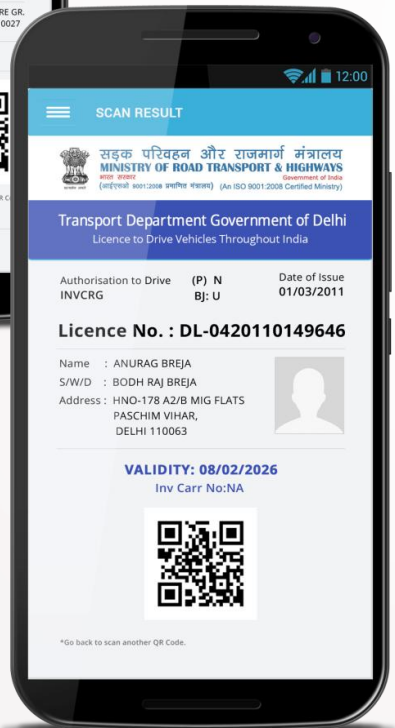

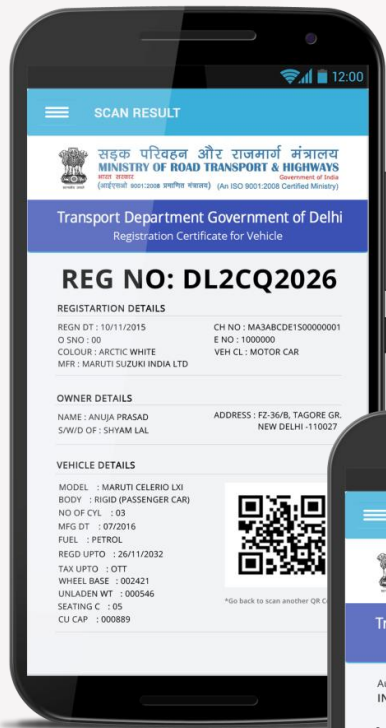

DigiLocker Ecosystem

(Digital Locker Technical Specification)

My Digital Identity and Digital Repository

Thank You
