

# CERT-In समवादा 2026

ANNUAL CONFERENCE OF CERT-In EMPANELLED  
AUDITING ORGANISATIONS

SECURING DIGITAL BHARAT THROUGH FUTURE-READY AUDITS :  
ADAPTING, ASSURING, ADVANCING

27th April - 29th April, 2026  
BITS Pilani, Goa Campus

**CERT-In SAMVAAD 2026** is the annual flagship conference for cybersecurity professionals and auditors from CERT-In empaneled auditing organizations across India. The conference is designed to strengthen national cyber resilience through robust auditing frameworks, regulatory alignment, and best-practice knowledge exchange. The event will be attended by distinguished dignitaries from government, industry, and regulatory bodies, along with leading representatives from India's cybersecurity ecosystem.

Hosted at **BITS Pilani, K K Birla Goa Campus**, this closed-door conference will feature expert-led sessions by senior government officials, industry leaders, and academic researchers. The conclave will serve as an exclusive platform for cybersecurity auditors, researchers, and practitioners to engage directly with policymakers and industry stakeholders, fostering collaboration in innovation and next-generation cybersecurity product development.

**CERT-In SAMVAAD 2026** will feature curated Tech Talks, high-level Panel Discussions, and Paper Presentations by domain experts, enabling the exchange of best practices, knowledge sharing, emerging threat intelligence, and evolving strategies in cybersecurity auditing and compliance.

**Registration Fee :** (Exclusive of travel and accommodation)

**Early Bird Price :** ₹ 15,000/- (Per Participant inclusive GST 18%):

# Why Participate in CERT-In SAMVAAD 2026

## Exclusive Closed-Door Conference

CERT-In SAMVAAD 2026 is a **closed-door conference** featuring approximately **237 CERT-In empaneled cybersecurity auditing organizations** from across India. These organizations represent the country's most trusted cybersecurity auditors engaged in securing **government departments, enterprises, telecom networks, financial institutions, and critical infrastructure sectors.**

## Direct Access to Key Decision Influencers

The invited auditors play a **critical role in evaluating and recommending cybersecurity solutions** for enterprises, banks, and government organizations. This provides participating technology partners with a unique opportunity to engage directly with professionals who influence technology adoption and security compliance across India.

## Limited & Exclusive Exhibition Opportunities

Only **five exclusive technology booths** will be available, reserved for **select and trusted OEM partners**, ensuring high visibility and focused engagement with a specialized audience.

## Dedicated Vendor Presentation / Workshop Sessions

Each participating technology partner will have an opportunity to conduct a **dedicated session on product demonstrations, use cases, technical workshops, or solution presentations**, enabling in-depth interaction with cybersecurity auditors and experts.

## Three Days of High-Value Engagement

The summit offers **three days of direct interaction** with CERT-In empaneled auditors, senior government officials, industry experts, and cybersecurity professionals — creating a highly focused environment for **knowledge exchange, relationship building, and business opportunities.**

---

***This highly curated and invitation-only platform provides a rare opportunity for cybersecurity OEMs to position their solutions directly before India's leading cybersecurity auditing community***

Goa, one of India's most renowned destinations, is celebrated for its scenic beauty, serene landscapes, and vibrant atmosphere. Nestled in this inspiring environment, **BITS Pilani, K K Birla Goa Campus** stands as a premier institution of excellence in technology and sciences.

The campus offers state-of-the-art infrastructure, modern auditoriums, advanced conference facilities, and robust digital connectivity, providing an ideal setting for high-level conferences and knowledge exchange. With its strong focus on research, innovation, and industry collaboration, BITS Goa Campus serves as a distinguished and secure venue for hosting senior delegates from government, industry, academia, and the cybersecurity community.
